Foreword

In the pages that follow, we hope to retain in the form of words and pictures a memory of our last and most important year at B. H. S. May this 1962 edition of the PANTHER serve as a reminder of the delightful things we crowded into each day and may we, in the future, be able to cherish those memories each time we gaze upon these pages of "Our Year in Revue."

Dedication

We, the members of the PANTHER staff, feel that we and our classmates have wisely chosen the person to whom the 1962 edition of the yearbook is dedicated.

This individual has given countless hours of hard work and attention to the many students with whom she has come into contact during her twenty years at Bennett High.

In deep appreciation for your consecrated devotion to your duty as a teacher and to our school, we fondly dedicate this year's PANTHER to you, Mrs. Buelah Brewer.

The Beta Club began the year with a Stanley Order of $450! These were our top salesmen.

In October, these Seniors performed for P. T. A.

How happy these Senior boys are that football was reorganized this year.

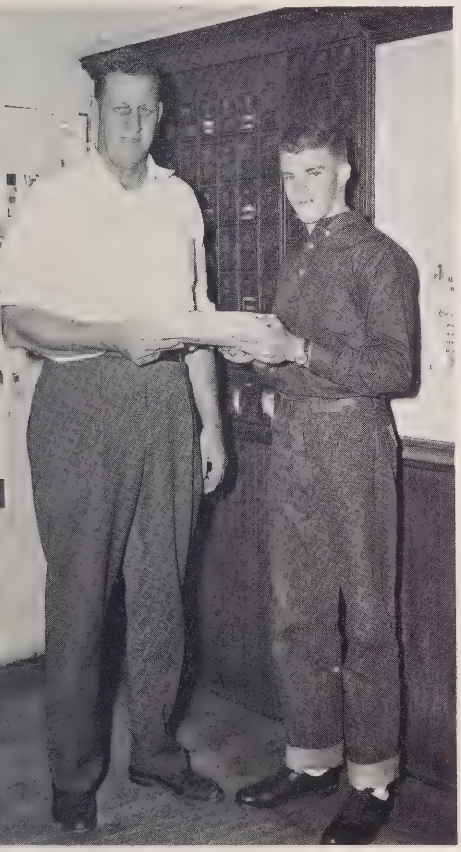
THE BIG DAY--
the arrival of
those long-awaited
class rings

A Senior privilege--decorating for the Halloween Carnival.

Remember the Scholastic Aptitude Tests we sweated through?

Could you call this "cramming" for exams?

Floyd was always on time with the good news and the bills!



How honored these students were to be chosen captains and co-captains of the basketball teams!

The Little Things We'll Never Forget

"I hit you last!"

"Where's Mr. Phillips?"

"Here comes Miss Gibson!"

"What did you get for this one?"

Want some candy?

"You boys be careful!"

"You can get 2,000 words, too".

"Wait a little!"

Now comes Spring and time for our Baseball Training.

How hard we worked for these diplomas.

Class History

Well, we're finally Seniors! How we have dreamed of and waited for this title for four years!

Our freshman year we entered high school with thirty students. What excitement we did have--forgetting where to go and when to be there! We finally settled down and elected our officers for the year. They were as follows: President, Bobby Kidd; Vice-President, Douglas Moon; Secretary, Sandra McDaniel; Treasurer; Larry Stone. Mrs. Betty Caviness was our homeroom teacher.

We found our sophomore year more interesting, and we soon began to feel a part of high school. With Miss Cloe Peters as our homeroom teacher we elected our officers: President, Henry Purvis; Vice-President, Eugene Andrews; Secretary, Betty Lou Hill; Treasurer, Lavan Brady.

Well, we were really reaching the top when we found ourselves juniors. All thoughts were of the Junior-Senior Banquet. At last, on April 28, the big day arrived. Our theme was "Hawaiian Cruise" which proved to be a night long to be remembered. Our class officers for the year were President, Henry Purvis; Vice-President, Betty Lou Hill; Secretary, Larry Stone; Treasurer, Lavan Brady. Mrs. Charlotte Caviness was our homeroom teacher.

Twenty-four of us have finally reached the highest limb. It was a long, hard climb but has really proved to be worthwhile. The fun in giving our senior play, the wonderful banquet the juniors presented to us, and most of all, the fun of just being together will long be cherished memories. For our final year together we chose these officers: President, Larry Stone; Vice-President, Henry Purvis; Secretary, Winfred Brady; Treasurer, Gary Garner.

As our school days come to an end, we look back upon and treasure the memories of our four wonderful years at Bennett High.

Class Historian,

Sandra McDaniel

Class Prophecy

As the Seniors of '62 of dear old Bennett High graduate, it brings to a close one of the chapters of each of their lives and opens a new one. Being curious, we are going to look into a crystal ball and see each one of the Seniors 10 years from now.

EUGENE ANDREWS is now the owner of the largest feed mills in the South: Chalk Industries.

GERALD HILL is now playing with the Globe Trotters. He always did like basketball.

DENSON JONES owns his own chicken company, since he learned a new way to catch chickens.

Who do we see commanding the largest tugboat in the United States Navy? No other than GEORGE MOONEYHAN.

Who do we see modeling for the largest modèl studio in Hollywood? No other than our own NANCY McDANIEL. She always did have a way with clothes.

DOUGLAS MOON is now called "The Untouchable" at Sanford Drag Strip.

BETTY LOU HILL is now living in Los Angeles, California, with her famous husband Gil. She always did like the name "Gil", especially in her last year of school.

If any of you get a chance to go to Hollywood, be sure to go see the famous Rock 'n' Roll singer, LAVAN BRADY.

Everyone of you know that our own WINFRED BRADY won the championship wrestling match last week in New York worth $100,000.00.

No one else do we find running the largest Chevrolet Motor Company in New York but LARRY STONE. Why of course, he has always been a Chevy man - just ask any Senior of '62.

Well, who do we see running the Ford Company, Chevrolet's first place competitor, but WILLIE LEWIS HILL. Just recently he has won the Southern 500 in Florida.

DWIGHT HUSSEY is still out in Hollywood making pictures, especially with pretty girls. He always did catch the eyes of every girl! Just ask them!

CAROLYN ELKINS is now a nurse at the Bennett Memorial Hospital. Where else could you find a quiet girl?

RONALD KIDD is now a Clothes Designer for men in New York City. He always did dress very neatly.

Goodness, who is that teaching the first grade in Florida's Grammar School? None other than SANDRA McDANIEL. She always did have a way with little tots.

ELVA LOU MANESS is now living in Florida with her husband Bobby Earl and their four pretty daughters. She keeps house for Bob, who is president of the largest textile mill in Florida.

Who is running that large cattle ranch in Bennett? BOBBY KIDD, of course. He always did like to raise cattle.

CAROL BRADY is the pretty secretary of Bob Cummins, who runs a model studio in New York. She always did like to keep records and write letters.

ETHEN GILLILAND is now president of Klopman Mills in Asheboro. His working while going to school surely did pay off, even though sometimes he didn't come in until 1:00 P.M.

GARY GARNER is now a photographer in New York City. I hear all the pretty girls visit his studio.

None other than our own EVERETT SMITH has just won a Laughing Contest. He always found something funny to laugh about in class. Just ask Mrs. Betty Caviness.

PHYLLIS ANN POWERS is now the wife of a well-known barber and the two are making their home in Raleigh. But, then, she always did claim Raleigh as her town.

FLOYD HICKS is now the Post Master of Bennett's largest post office. He gained some valuable experience sorting out the mail while he was a Senior at Bennett High.

HENRY PURVIS is now the chief surgeon at Walter Reed Army Medical Center, in Washington, D.C. We hear the waiting room is always full!

Last Will And Testament

We, the Senior Class of Bennett High, being of sound heart and good mind and intentions, do bestow and give away some of our priceless possessions accumulated during our stay here.

To our beloved school, we leave our gratitude and deepest affection for all the golden opportunities she has given us during our years here.

To our teachers, we bequeath pleasant memories of this brilliant senior class. May there be many stars in their crown for their part in opening the golden door for us.

To the Juniors, we leave a pot of gold nuggets so they can pay their senior debts next year without having to use our various schemes to raise money.

To the Sophomores, we bequeath the ability to bluff the teachers and make excuses for unprepared lessons.

To the Freshmen, we leave our ability to count and add on our fingers. We don't want to take ALL our learning with us.

May sees the Seniors of '62 graduating. It is with sad hearts and great ambitions that we leave B. H. S. Some will immediately take their places in industry, others will further their education, and others will render their services for the defense of our country. Whatever our part in society, all will cherish the memories of our twelve years at B. H. S.

The curtains close and the month of May fades into the past, but not from our memories.

Autographs

Dear Janet:
I have enjoyed going to school with you this year. I will miss you in the summer, but we will be back in School in three short months.

Love,
Shirley
